

To place an international call to the U.S. or an international country-to-country call

- Dial the Calling Card International Access Number of the country from which you are calling.
- At the prompt, enter your Calling Card number, PIN and the number you're calling, or give this information to the operator.

To place another call, do not hang up
Press the # key for 2 seconds (listen for tone).

Dial the number you are calling or the # feature.

International Calling Card Guide

Restrictions

Some restrictions are placed on the countries to which calls are placed. While current at the time of publication, numbers and services listed below are subject to change without notification. To ensure you have the latest updates, please check www.xo.com/callingcard/accessnumbers before an overseas trip.

Languages

A language menu from many countries is available. If no menu is available, dial 0 and ask the operator to switch you to the language of your choice.

Other Countries, Customer Service

To find new countries that may have been added, call XO Customer Care at 1-800-553-1989 or check www.xo.com/callingcard/accessnumbers for the most current list of international access numbers.

Toll-Free Access Numbers as of November 2005

For updates, please check www.xo.com/callingcard/accessnumbers before an overseas trip.
